New Sunday Mass Schedule Beginning June 1, Next Sunday

The new schedule will provide ½ hour more time between the two High Masses, which will allow those at the first High Mass to leave before those coming to the second High Mass arrive. This is another effort to help ease our very difficult neighborhood parking situation.

From Your Priests

Fr. John Brancich, FSSP, Pastor

Congratulations to the 27 individuals (children, teens, and adults) who received the Sacrament of Confirmation from His Excellency Bishop Libasci on Thursday, May 15, and to the children who received First Holy Communion from him in the Pontifical Low Mass that followed. I would like to thank all who filled the Church as well. Bishop Libasci was impressed and said to us priests when he looked out at the full Church on a Thursday night "This is just like a Christmas Midnight Mass!" Your attendance made an important statement to our Bishop about your support of our parish and of His Excellency. Thank you also to those who worked hard to provide a nice reception afterwards, and to the sacristans and servers (and their families with the taxi service) and office staff who provided us

everything needed for beautiful ceremonies.

This Wednesday, at Our Lady of Guadalupe Seminary in Nebraska, His Excellency Robert Reed, Auxiliary Bishop of Boston, will ordain five priests for the FSSP. Please pray for these five Deacons during their final days of preparation to become Priests forever according to the order of Melchizedek.

And my update on the last projects from our *Ad Altare Dei* Capital Campaign. A contract has been signed with North Branch Construction, who did our structural work last summer. This contract is to install a Limited Access, Limited Use (LULA) Lift (basically, a smaller **elevator** for up to 3-4 people), the demolition and new construction of **new restrooms** and a **kitchen** and **new air conditioners for the Church**. The LULA will be installed in a new addition that will be built on the front corner of the Church and will include a completely new and relocated indoor stairwell providing access from the street, down to the Church basement and up to the Church. This will be in addition to the current steps leading up to the main entrance. The current "kitchen" will be demolished and three new restrooms will be installed there: one men's, one women's (both with several stalls) and an accessible family restroom. The current location of the restrooms will be demolished and a new "real" kitchen will be built there, with oven/stove, hood, serving and prep areas, etc. Today, we had a detailed planning meeting with North Branch and our architect/engineer. Visible work on these projects will hopefully begin mid-August and will progress at a rapid pace once work is begun. Right now, they are working on permits, meeting with the City of Nashua, final planning and budgeting and other less-glamorous but most necessary aspects of the projects.

Parish Announcements

Unison, the communications platform we have been using for our parish group and other official communication for the past 7 years, is sunseting and will no longer be available after May 31st. After much research, we have decided to switch to Flocknote, which is a much more robust, tested, reliable and widely-used platform specifically for communication in Catholic Churches. Current members of Unison groups will receive an email with a link to easily sign up on Flocknote. No downloads or programs will be required. Anyone interested in continuing to receive communications (emails and/or texts) from Saint Stanislaus Church can sign up at LatinMassNashua.flocknote.com

SUMMER ATTIRE REMINDER

- Shoulders and upper arms should be covered (men and women).
- Necklines should be modest (the last guidelines published by the Vatican stated that necklines should not be cut lower than a 2-finger width below the pit of the throat).
- Skirts should fall below the knee when seated.
- Clothes should not be "tight-fitting" or transparent.
- Shorts or tank tops are never appropriate in church (except for young children).
- And, surely we can do better than jeans and t-shirt for Our Lord!

The weekly financial report will appear in next week's bulletin.

Sacraments

The Traditional Latin Rites exclusively are offered at St. Stanislaus Parish

Baptisms - Parishioners, registered and active for at least four months, should call the office well ahead of the birth to arrange for the baptism of their newborn. A class with Father is necessary before the first Baptism in a family at the parish.

Holy Matrimony - Preparation for Marriage must begin at least 6 months prior to the desired date. Weddings are available for parishioners registered and active for six months before the beginning of Preparation for Marriage. Catholics must be married in the Catholic Church to have a valid marriage in the eyes of God and the Church.

First Confession, Confirmation & First Communion - Available for children of registered and active members of the parish. Preparation for these Sacraments for children will be announced in the bulletin. Adults who have not received these Sacraments are invited to call the office to arrange for special preparation by Father.

New Hampshire Catholic Appeal: We are grateful to all our parishioners who have given to the New Hampshire Catholic Appeal. As of today, we have raised \$21,210 toward our parish goal of \$69,262. We received 84 gifts out of over 450 registered households. If you have not yet made your gift, please bring your gift envelope to Mass next Sunday, or make your gift online at www.catholicnh.org/nhca. Extra envelopes are available in the pews or in the envelope rack near the basement stairs. We need the support of all our parish families to reach our parish goal. Thank you for your support of these important needs and ministries of the Church.

JUNE 1: SECOND COLLECTION CATHOLIC COMMUNICATION CAMPAIGN

This is a national collection which connects Catholics with Christ in the United States using the internet, television, radio, and print media. Half of the money we collect remains here in the Diocese of Manchester to fund local communications efforts. Your support helps spread the gospel message. www.usccb.org/national-collections

Last month, our lending library celebrated its *first anniversary!* Among other things, our volunteers have cleaned all the books, shelves, and storage areas; updated section markers, added bookends, and added a toddler and a teen section. Contact: Library@LatinMassNashua.org to ask how you can help or donate needed items.

St. Gianna's Place

Sunday, June 8, there will be a second collection for St. Gianna's Place, a home in the Catholic tradition for women in crisis pregnancies. In the past five years, they have been able to offer a loving, formative, and supportive home to over 30 women and their children. Your financial support is greatly appreciated and helps to defray the costs of their day-to-day operations and the educational programs they offer to mothers.

Please make all checks out to St. Gianna's Place.
